About Friend Country Club

We are a private country club located in Friend, NE and have a full service restaurant that is open Wednesday-Saturday 5:30-9:00 or 10:00 (Kitchen hours). Our golf course was also voted one of the best 9 hole courses in the state. We hold many tournaments throughout the summer where food is also served. The FCC is a private establishment but we do allow non-members to eat in the restaurant and to pay green fees to golf.
